Alcoholism as a Disease: Addiction
Research and Recovery

April 15th, 2021 from 6-7 PM

You're invited!

Please register [here](#) for our virtual webinar on Thursday, April 15th, 2021. Dr. Harshal D. Kirane, board-certified addiction psychiatrist and the Medical Director at Wellbridge Addiction Treatment and Research Center, will deepen the knowledge of those in attendance on the warning signs of alcoholism, the problems it can cause, addiction research, and the help that those struggling with addiction can seek. Invite those you know and join us to learn the facts about addiction, voice your questions, and leave well-informed on how those living with alcoholism can regain control of their lives. For further details or registration assistance, please email information@nassaucountymedicalsociety.org or call (516) 832-2300.
